

Florida Professional Driving School Association

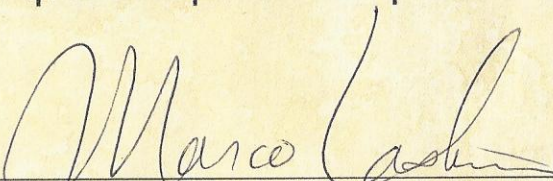

Certificate of Membership

This is to certify that

JMP DRIVING SCHOOL

pledges to uphold the ethics of Florida Professional Driving School Association and has further pledged to maintain standards above those set by state and federal governments. This School can be patronized with confidence, since its policy is to offer the public the most advanced and comprehensive safety education and driver training programs available. Professional, licensed, and certified instructors and/or other specially trained and qualified personnel provide all instruction.

Marco Lashin, President
